Cornelius endorses Thread Trail

Cornelius became the second north Mecklenburg town to endorse the route of the Carolina Thread Trail through the town, when the town board gave unanimous approval March 1.

Davidson commissioners previously gave their approval, and Huntersville is scheduled to vote soon. The endorsement does not obligate Cornelius to spend any money but makes the town eligible for grants to install greenways and other pedestrian-friendly facilities.

Cornelius commissioners also appointed seven people to the town's Transportation Advisory Board. They are: Del Arrendale, Linda Daley, Marilyn Lester, Kurt Naas, Louis Raymond, David Vieser and Woody Washam.
