

CAROLINA THREAD TRAIL

2021 REGIONAL TRAIL IMPLEMENTATION GRANT PROGRAM

Application Deadline: September 24, 2021

IMPORTANT NOTE: Download form to your computer before editing.

I. Applicant Information

Name of Applicant:

Primary Contact:

Title:

Email:

Phone:

Federal Tax ID #:

County:

Street Address:

City:

State: Zip:

II. Project Name:

III. Project Type (Check all that apply.)

Trail Construction

Detailed Corridor Planning

Trail Project Design

Canoe/Kayak Launch Construction

Land Acquisition

IV. Project Description

Provide a description of your project. Include the physical characteristics of the project (length, width, planned surface type, and any other pertinent characteristics of the facility).

V. Funding

Maximum request* per project type:

- Trail Construction \$50,000
- Trail Project Design \$30,000
- Land Acquisition \$30,000
- Detailed Corridor Planning \$15,000
- Canoe/Kayak Launch \$5,000

*Certain localities have the potential to receive higher amounts, due to additional funding that is geographically restricted. CTT staff will assist applicants in determining an appropriate maximum request. See the Guidelines for more information.

Total amount of funding requested from CTT**

** Applicants must also use the provided **Budget Table Template for Supplemental Material item #1** (listed in Section VIII of this application), to show how project costs are covered by secured and anticipated funding sources. This can include both public and private sources, and should also show your requested CTT funds.

VI. Project Location

1. Describe the location of the project and where it is located along the Carolina Thread Trail Master Plan corridor.***

*** Applicants must attach a detailed location map of the project. (See Section VIII, Supplemental Material item #2.)

2. List the locally adopted plan (besides the Carolina Thread Trail Master Plan) which identifies this project. Please identify the year of adoption.

11. List any additional information not previously described that demonstrates project excellence. Examples could include, but not limited to, facilitating connection or preservation of environmental and historic resources, involvement of local advocacy groups, ability to engage student education opportunities, etc.

VIII. Supplemental Materials

1. Budget sheet (use attached template)
2. Project location map
3. Letters of endorsement or support (optional)
4. For acquisition projects, letters of intent from prospective land owner(s).

IX. Signature

The applicant hereby acknowledges that the grant application is complete and includes a budget sheet and project location map.
