LONG CREEK GREENWAY | CHARLOTTE, NC

LONG CREEK GREENWAY is coming soon!

I-77 to Treyburn Drive Section Summer 2020 - Early 2022

Questions?Call: 980-314-1000Visit: ParkandRec.comOr Email: PRK-Planners@mecklenburgcountync.gov

Mecklenburg County is beginning construction on the first segment of Long Creek Greenway. This project will create 2+ miles of new greenway trail, from I-77 to Treyburn Drive, with connections to Bayview Py, Secretariat Dr, Reames Rd, W.T. Harris Blvd, Northlake West Dr, Julia Lee Ct, and Roundstone Way. The next phase of the project is in design and will extend the greenway trail to Oakdale Road.

This project is a combined stream restoration and greenway construction project. The stream enhancements to Long Creek will reduce erosion and improve water quality.

This greenway trail is also part of the Carolina Thread Trail: https://www.carolinathreadtrail.org/

CAROLINA THREAD TRAIL

LONG CREEK GREENWAY is growing!

Treyburn Drive to I-485 Section Spring 2022 - Late 2023

Questions? Call: 980-314-1000 Visit: ParkandRec.com Or Email: PRK-Planners@mecklenburgcountync.gov

Mecklenburg County is beginning construction on a new section of Long Creek Greenway. The Long Creek greenway trail, watershed, and stream improvements project is a partnership between Mecklenburg County Park and Recreation and Charlotte-Mecklenburg Storm Water Services. This project will create 2+ miles of new greenway trail, 2+ miles of stream enhancements to reduce erosion and sediment, as well as watershed improvements. This project phase is from Treyburn Drive to I-485, with connections to Ambleside Dr. Belstead Brook Ct, Beatties Ford Rd, and Trotter Rd. The next phase of the project is in design and will extend the greenway trail to Oakdale Road. More Info: www.PublicInput.com/LongCreek

This greenway trail is also part of the Carolina Thread Trail: https://www.carolinathreadtrail.org/
