18th Annual
TRAIL FORUM
Thursday, December 4, 2025
Mooresville, NC

The largest recurring trail conference in the Carolinas, Trail Forum is a day-long educational event that convenes 300 industry professionals and citizen leaders with a common mission of advancing trails. Attendees learn about current issues, foster relationships, and collaborate on overcoming challenges of trail development. The diversified agenda features a lunchtime keynote presentation and nine concurrent sessions, many for continuing education credits.

Trail Forum puts your business in front of the key decision makers in planning, park and recreation, and local government. Sponsorship positions your organization as a key partner in outdoor recreation and healthy living — integral to maintaining a vibrant and sustainable community.
